

ORDINANCE

WHEREAS, A recent study by the Centers for Disease Control and Prevention found that in the United States there were 30,896 deaths from firearms in 2006, making firearms one of the top ten causes of death in the country; and

WHEREAS, Annually, more than 100,000 people in our nation are shot or killed with a firearm, with more than 3,000 of these victims being children or teenagers; and

WHEREAS, The United States is one of the few remaining developed nations that places only a minimal restrictions on the sale or possession of firearms; and

WHEREAS, Firearm-related injuries and deaths are the cause of significant social and economic costs to the City and our communities and have a severe impact on our criminal justice and health care systems; and

WHEREAS, In 2009, in the City there were 1,815 aggravated batteries with a firearm, of which 83 were shootings inside a residence, and there were 379 murders with a firearm, of which 34 were murders involving a firearm inside a home; and

WHEREAS, Between the beginning of this year and June, 15, 2010, there were 742 aggravated batteries with a firearm, of which 36 took place inside a residence, and 152 murders with a firearm, of which 19 were inside a residence; and

WHEREAS, Given the dangerous and deadly nature of handguns, in 1982 the City of Chicago enacted a ban on registering handguns as a method to protect public safety and the health and welfare of its residents; and

WHEREAS, In 2008, the Supreme Court of the United States decided the case of *District of Columbia v. Heller*, which held that the Second Amendment to the United States Constitution protects an individual right to possess a firearm unconnected with service in the militia; and

WHEREAS, After the *Heller* decision, the City's handgun registration ban was challenged in the case of *McDonald v. the City of Chicago*; and

WHEREAS, On June 28, 2010, the Supreme Court issued its opinion in the *McDonald* case and ruled that the Second Amendment's right to possess a handgun for self-defense in the home also applied to the states; and

WHEREAS, Although the State of Illinois has already enacted several laws to regulate the sale and possession of firearms, these laws are not sufficient to protect the City from the unique and heightened risk of firearm violence, especially handgun violence, endemic in densely populated urban areas, and

WHEREAS, In order to provide for the ongoing protection of the public welfare and safety, it is essential for the City Council of the City of Chicago to promptly pass an ordinance that provides for reasonable regulation of firearms in compliance with the rulings of the United States Supreme Court, but still is effective in protecting the public from the potentially deadly consequences of gun violence in our City; and

WHEREAS, When a gun is registered with the City, certain personal identifying information,

such as the registrant's address, is obtained so that a first responder can be advised that a gun is present in that home. In order to protect the privacy and safety of people registering guns, any information provided in the registration procedure should not be available to the public. The City is requesting that Illinois Attorney General Lisa Madigan issue an opinion, as expeditiously as possible, on whether the information provided to the City for gun registration is exempt from disclosure under the Illinois Freedom of Information Act, 5 ILCS 140, et seq.; and

WHEREAS, As a consequence of the United States Supreme Court decisions in *Heller* and *McDonald*, it is anticipated that gun ownership in many communities, including large urban areas, will increase. To ensure public safety and the welfare of a community, it is essential that local law enforcement agencies be made aware of any gun brought into their jurisdictions. Therefore, the United States Congress must pass a law mandating that the Bureau of Alcohol, Tobacco, Firearms and Explosives timely notify a local law enforcement agency of any purchase or sale of a firearm by a resident of that community; and

WHEREAS, In addition, the ability to have handguns in a home will expose taxpayers to greater costs and expenses associated with the increased number of incidents involving a first responder entering a home where a gun is present. In order to minimize the impact of these costs to the taxpayers, the United States Congress and the State of Illinois must pass laws that grant immunity for the City and its first responders from any civil liability for any accidental or lawfully intentional actions by the first responders in responding to a situation in a home where a gun is present and the first responder perceives a danger caused by the presence of the gun; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:
