

# WATER SERVICE INTERRUPTION

Dear Alderman Moore:

At the direction of the City of Chicago's Department of Water Management, we are contacting your ward office regarding an upcoming water service interruption. This is in regard to the water main replacement work BES# 1601151.

As of today, the planned water shut off will be Thursday, June 29, 2017 and affect buildings on Loyola Ave. from Sheridan Rd. to Winthrop Ave., north side of the street. The shut off is scheduled from 8 a.m. - 4 p.m. In the best-case scenario, the water shutoff will be as short as three hours.

Notifications have been handed out to all affected owners or occupants.

For technical questions, please contact NPL Project Manager Dan Godley (815) 762-2130 with any concerns.

For additional residential or business outreach, please contact me on my cell, number listed below.

Please know we are working as diligently, quickly and safely as possible to finish the main replacement work.

We thank you for understanding.
